Multinational Business Academy

Multinational Business Academy or MBA Academy as well-known is a not-profit education society and registered and recognized by the government institutions for higher learning and professional education. The Academy features present and former professionals with the public sector, government department, and professors of California state university, industry, technocrats and other corporate leaders and has a training resource center in Delhi, Dubai, Singapore and partner training centers in many countries.

The Academy is to *‘serve the world of professional education in line with the emerging business, social and government priorities’*.

The mission of the Academy is to *‘create, cooperate and conquer the multicultural world of competence and professionalism with right programs and people’*.

The Academy is affiliated to the nationally accredited as the University Study Center and is a life member of the Association of Indian Management Schools (AIMS), Association of Management Development Institutions in the South Asia (Amdisa) and Retailer Association of India.

The Academy offers world class degree, diploma in business management, marketing, and project logistics and hosts study abroad and training programs from Singapore, USA, Canada, Mexico, Mongolia, Nigeria, China, Dubai, Denmark and Taiwan among many others.

We offer training and consulting in the different functional areas of Management. The driving force at the Academy is its distinguished faculty who has extensive experience and expertise in diverse fields. Our academy always strives to provide high quality, cost-effective and timely services to the clients.

MBA Academy stands for **‘Global Employability’**.

Testimonials

"I came to India, I trained and I found a business partner also. What more would I want. Thanks."

"MBA Academy is our preferred choice for customized training solutions. Their portfolio of 'anywhere-anytime-anyone' training provides a viable alternative to our training needs."

"We have used MBA Academy in Dubai with excellent results for the last two years, their project management, strategic thinking and customer relations programs are the best in the class."

"The instructors MBA Academy provided value added information and tips beyond what were required. I think the Project Management course would be great to come back to'.

"Many thanks for an excellent and very enjoyable course. I found the discussions spot on and the fact that we were able to complete the syllabus proved this. I will certainly recommend to anybody who wishes to 'anywhere-anytime-anyone' training courses in the future."

"The best part of the 'anywhere-anytime-anyone' training courses of MBA Academy is their total care from airport to airport and we are free to focus on our learning and enjoy the local variety of shopping, sightseeing and culture."

"MBA Academy offers the most value for money and flexibility to send our delegates anywhere in world. Trainers are known for quality and practical experience of local business. Congratulations."

"MBA Academy in Dubai is the best thing for training, industry visits and the joy of Dubai all bundled together. They personal attention and care makes you feel wanted."
